

Do you like jazz, latin, or fusion?

Want to see these styles played live, in local clubs, more often?

Do you teach these styles, and want more students?

Do you have a band in town that plays these styles of music, and want higher-paying gigs?

Want to gain more experience playing these styles, along with working musicians, *for free*?

The *Fredericksburg Jazz Collective* is a non-profit organization dedicated to keeping this music alive in our local area, through a variety of programs and online resources. By increasing the public's exposure to this music, we can ensure better-paying gigs, more student interest, and a healthier, more diverse local entertainment economy. **But WE NEED YOUR PARTICIPATION!**

- Live Performances with local and regional talent
- Jazz Jams
- Clinics and Workshops
- Educational lectures & listening parties
- Online venue/booking agent database
- Online musician/instructor database
- Discounts on music publishing and recording
