Webmaster/Yard Sale Results/Experience/Other Items: The yard sale as a fundraiser was disappointing. \$33.00 was raised. However, being able to perform in the outside area of Mason Dixie Café was fun. Thank you Mason Dixie Café for an enjoyable afternoon. FJC website pages have been translated for Drupal. The FJC email list and resources still have to be translated.

Vice Chairman: FJC Chairman enjoyed the experience of singing and playing for the Mason Dixie Café patrons.

Logistics: Absent

Productions Director: Fredericksburg Arts Commission (FAC) Grant Application: Described what FJC needs to do in order to complete the grant application. Led the discussion as to the purpose of the FAC Challenge Grant and how it is different from the Arts Event Grant. It is currently believed that the Challenge Grant is for general operating expenses. Arts event Grant is for a specific project.
